Attached for your information and records are two more additional reports on IRP investigations at Military installations in Region 6. The reports are:

1. Phase I study report for Carswell AFB, Texas.
2. Technical Report #14 on Pine Bluff Arsenal, Arkansas. (This is essentially the Phase II IRP report, which was never issued by Army).

AFB 213820767

If you have comments about conclusions or recommendations in these reports, they should be addressed to Headquarters, Strategic Air Command (Dr. Stirts) or to the U.S. Army Toxic and Hazardous Materials Agency as appropriate. Questions on actions taken to comply with report recommendations should be addressed to the commanders of the installations. Please send me a copy of any correspondence in connection with these investigations for my records.
